

## CUSTOMER PROMISE

We are here to support customers in partnering with them to make sure they get the most of their business opportunities, to increase productivity and decrease down time. You are an important part of our customer service commitment that includes the Vermeer Canada Promise, a complete after sales, parts and service program designed to keep customers going 24/7.

## TEAM SPIRIT

Working on various equipment types from big to small, together as a team to help find solutions in the most effective and efficient ways. Team-oriented approach: a sense of camaraderie and support across all departments, manageable hours and workloads. With a Family-like atmosphere: positive, close-knit relationships with co-workers.

**MORE THEN A JOB  
FIND YOUR CAREER**

**EQUIPPED TO DO MORE.™**

## VERMEER HISTORY

It all began with a need to fill, in 1948 a one-man job shop was established on a farm in central Iowa. The man behind it? Gary Vermeer. The second, and now third generations have taken what Gary started and transformed the company into a market-changing **POWERHOUSE** recognized around the world.

## SOCIAL FUN

Vermeer Canada embraces **FAMILY** with social activities that bring our families together and helps us to get to know each other a little more.
